On April 5, 1986 in Arlington, Texas, our branch of the Clan was formed by seven founding members, Nancy C.R.T. Bishop, Andrew M. Hassell, James D. Logan, Robert C. MacRoberts, William C. Roberson, Dorothy Roberson and Margaret Duncan Straub. Honorary members included were Clan Chief Struan Robertson of Scotland and Marj Hale from the Clan Donnachaidh California branch, who played a very important role in CDSTI formation. Our first annual general meeting was held in Austin, Texas on May 2, 1987.

We are an organization dedicated to bringing together the descendants of our noble and ancient family and preserving our Scottish heritage and culture. We set up our Clan booth at various Highland Games and Clan Gatherings in Texas and host a variety of social activities. We have 4 officers and 8 directors serving nearly 100 members scattered throughout the great state of Texas. There are many opportunities to contribute to our common goals. Your support of CDSTI is a vital part of the continuation and preservation of our mutual heritage, so please join us today and become a CDSTI member!
